

API Foundation

API Insurance Services is owned and operated by API Traders Pty Ltd, an organisation that was established in South Australia over 30 years ago.

Our focus is on assisting people protect their assets and reduce their liabilities through a relationship of trust and support. We offer a wide range of insurance products to individuals and small to medium businesses including farmers.

We recognise that insurance can be complex and confusing, so we employ experienced insurance consultants to help our clients understand and solve their insurance needs. We take pride in our ability to offer professional service in a friendly and personal manner.
